

### **creative research methods in pdf**

I have always been interested in creative research methods: not at the expense of traditional methods, but to augment them. I have used a variety of creative methods, when appropriate, such as storytelling and photo-elicitation for gathering data, fictionalisation and photo-essays for writing research, and drama for presenting findings.

### **Creative Research Techniques Developing New Insights**

At research methods conferences, there is often an emphasis on gathering data at the expense of other parts of the research process. We will accept papers on creative methods of gathering data, but we are also interested in creative methods of planning research, reviewing literature and other ways of contextualising research, analysing data, writing, presenting findings, dissemination, and so on.
