Principles of Supply Chain Management, 3rd ed.

supply chain management as a critical element of their corporate strategies. Despite these efforts, ...
principles are necessary for effective supply chains. Each principle is detailed below, including an illustration
of practical application from an actual clientâ€™s experience.

The Five Principles of Supply Chain Management

At the end of a supply chain is the product and/or service that are created by the supply chain for the end
consumer. us, the fundamental reason of a supply chain s existence is hinged on to serving the
end-consumer in the market place.

Fundamentals of Supply Chain Management

In 1997, Supply Chain Management Review published one article called â€œThe Seven Principles of Supply
Chain Managementâ€• written by David Anderson, Frank Britt and Donavon Favre. At that time, Supply
Chain Management (SCM) was a pretty new term so this article did the excellent job to explain important
supply chain management principles in one shot.
