

the culture of contentment pdf

Complete summary of John Kenneth Galbraith's The Culture of Contentment. eNotes plot summaries cover all the significant action of The Culture of Contentment.

The Culture of Contentment Summary - eNotes.com

The culture of contentment is characterized by: a functional underclass (to do the stuff we won't), military and market worship, fear of high taxes (even for the upper class, since the contented middle class may be next), hatred of government intervention (except for bailouts and subsidies), and short-term thinking.

Culture Of Contentment Galbraith - unionsquareventures.com

The Culture of Contentment is an analysis of how the self-interested, short-term perspective of the well-off has shaped modern political and economic culture, especially in the United States. There's nothing really original in what Galbraith has to say "most of it seems obvious if not self-evident, at least to me" but he says it elegantly and, given the current political climate, it obviously needs saying.

The Culture of Contentment (John Kenneth Galbraith) - review

The Culture of Contentment is a keen and striking appraisal of America's current, far from happy state of affairs, written by possibly our wisest and certainly our most lucid and irreverent economist, John Kenneth Galbraith.

The culture of contentment (Book, 1992) [WorldCat.org]

The Culture of Contentment is an essay by economist John K. Galbraith, analyzing the situation of the Western industrial world, which was first published in 1992 by Houghton Mifflin Company. [2] [3] Galbraith traces the growth of a stultifying contentment in the Western industrial world, represented by the G7 group of countries.
