Hanging is the suspension of a person by a noose or ligature around the neck. The Oxford English Dictionary states that hanging in this sense is "specifically to put to death by suspension by the neck", though it formerly also referred to crucifixion and death by impalement in which the body would remain "hanging". Hanging has been a common method of capital punishment since medieval times ...

Decapitation is the complete separation of the head from the body. Such an injury is fatal to humans and most animals, since it deprives all other organs of the involuntary functions that are needed for the body to function, while the brain is deprived of oxygenated blood and blood pressure.. The term beheading refers to the act of deliberately decapitating a person, either as a means of ...
