A projector or image projector is an optical device that projects an image (or moving images) onto a surface, commonly a projection screen. Most projectors create an image by shining a light through a small transparent lens, but some newer types of projectors can project the image directly, by using lasers.

The Talbot Tagora is an executive car developed by Chrysler Europe and produced by Peugeot Soci t  Anonyme (PSA). The Tagora was marketed under the Talbot marque after PSA took over Chrysler's European operations in 1979. PSA presented the first production vehicle in 1980 and launched it commercially in 1981. The Tagora fell short of sales expectations, described as a "showroom flop" just a ...
