Lexical Approach Activities 2 Introduction Very basically, a lexical approach to teaching means the primary focus is on helping students acquire vocabulary.

### **Activities - Ken Lackman & Associates**

In lexicography, a lexical item (or lexical unit/ LU, lexical entry) is a single word, a part of a word, or a chain of words that forms the basic elements of a language's lexicon (the vocabulary). Examples are cat, traffic light, take care of, by the way, and it's raining cats and dogs. Lexical items can be generally understood to convey a single meaning, much as a lexeme, but are not limited ...
