The Long, Steep Path: Everyday Inspiration from the Author of Pay It Forward is a collection of creative nonfiction stories. And that's something I have never done before! This is a new direction for me (though I don't plan to be other than a fiction writer in the future). The release date is January, 2013.

obstructions, such as cliffs, it may be necessary to use a short, steep segment to regain access to more moderate slopes. In these instances, the maximum slope guidelines should be used and additional erosion control measures incorporated. Sections of trail exceeding the sustained grade standards should normally be less than 100 feet.
